

Fig Tree Ministries

A ministry of
ENCOURAGEMENT
to
PASTORS & LEADERS

John 1:48

- Have you ever felt you needed personal encouragement but never seemed to get any?
- FTM is dedicated to going where you are and bringing you a personal word of encouragement and blessing from the Lord!
- With over forty years of experience in all facets of church ministry I know FTM has something that will meet your current need(s).
- God took great pleasure in making you who you are and therefore He has a personal word of encouragement for you today!
- You do not need to travel. FTM will come to you. We receive best where we feel most secure and that is usually in a familiar non-threatening surrounding.

“How do you know me?” Jesus said, “I saw you while you were still under the fig tree”.

- The **FTM of Encouragement** will take the form of where the greatest need is or in such areas as:
 - o It’s okay to admit your need...
 - o It’s okay to be realistic...
 - o No TWO ministries are alike...
 - o Learn to glean...
 - o Just be yourself...
